## Ontario

I am pleased to make available a summary of the legislation affecting municipalities enacted at the current Session of the Legislature until date of recess on June 27th, 1969. It is expected that additional legislation of interest to municipalities will be enacted after the summer recess at which time a further summary will be issued. In the meantime, of course, chapter numbers cannot be allocated to the Acts that have been passed.

As has been the custom in the past we have summarized only those Acts or portions thereof that we consider to be of interest to municipal officials. This summary is prepared for the purposes of convenience and for the exact wording reference should be made to the Acts themselves, copies of which may be obtained for a nominal charge from the Clerk of the Legislative Assembly, Parliament Buildings, Toronto.

A handwritten signature in dark ink, appearing to read "C. S. Sangster", written over a horizontal line.

Minister of Municipal Affairs.

Also a new *subsection 3* is added to *Section 5* to provide for payment to municipalities by the Province of moneys withheld in lieu of taxes for the purpose of conferring on Crown tenants like benefits under the Act. A substantive provision in the amending Act authorizes the Treasurer of Ontario to make reimbursement in the year 1969 for moneys paid or allowed to

tenants of the Crown or The Hydro-Electric Power Commission of Ontario in respect of the taxation year 1968 in order that such tenants receive the same benefits under the Act as other tenants generally. *Subsection 1 of Section 8* is repealed, it being no longer necessary due to the addition of *subsection 3 of Section 5*.

Formerly school boards were not liable if they had jurisdiction only within the limits of the municipality imposing the rate.

7. **Licensing of Trailers.** *Paragraph 86 of subsection 1 of Section 379* is amended to clarify the authority of municipalities to license trailers unless they are located in a trailer camp that is either operated by the municipality or licensed by the municipality.

8. **Improvement Areas.** A new *Section 379g* is added authorizing local municipalities to establish improvement areas and to entrust the care of municipally owned lands in the areas to a Board of Management appointed by council. The costs of improvements in the area are to be levied against those persons assessed for business assessment in the area and are collected in the same manner as taxes. Provision is made for petitioning against the designation of an area and approval of the Municipal Board is required to the by-law designating the area.

9. **School Boards Liable for Rates Under Section 380.** *Subsection 21 of Section 380* is re-enacted to provide that the board of an elementary school or secondary school as defined in *The Schools Administration Act* is liable to sewer rates, water works rate and to sewage service rates imposed under this section. 10. **Annual Expenditure for Publicity for Agricultural Purposes.** *Paragraph 7 of Section 391* which authorized a county council to expend moneys up to \$3,000 for diffusing information respecting the county as an agricultural centre is repealed since moneys without any limitation may be expended by a county council under *Section 411* for virtually the same purpose. A complementary amendment is made to *Section 411* to make clear the authority of counties in this regard.

11. **Parking on County Property.** A new *paragraph 13* is added to *Section 391* which authorizes counties to prohibit parking on county property in the same manner as local municipalities may prohibit parking on their property.

13. **Licensing of Master and Journeyman Plumbers.** *Paragraph 12 of Section 401* is re-enacted:

- (a) to require that a master plumber to have a regular place of business in Ontario instead of the municipality to qualify for a license; and

14. **Special Sale Deemed Business.** *Section 401a* is amended by the addition of a new *subsection 4* deeming a special sale to be a business for the purposes of this Act and any other Act that contains provisions with respect to the licensing, regulating, governing, prohibiting or limiting of any business or the person carrying on or engaged in it.

16. **Deposits for Damages During Construction.** A new *Section 1a* is added to *Section 476* which authorizes municipalities to require the deposit of moneys to provide for the repair of sidewalks, curbings or

paved boulevards, or of any water service boxes or other services therein damaged in the course of building construction or demolition. It also provides authority to use the deposited money to clean the street of waste material tracked onto the streets during construction.

**17. Apportionment of Rate Among Townships.** *Section 497* is re-enacted to require the treasurers of Townships to make the apportionments under this section. Formerly the determination was made by the assessors of the townships. This amendment is complementary to *The Assessment Act, 1968-69*.

**18. Supervision of Local Boards.** A new *subsection 2* is added to *Section 521* to provide that notwithstanding *subsection 2* of *Section 30* of *The Department of Municipal Affairs Act*, where a local board as defined in that Act exercises any power or jurisdiction in another municipality or in territory without municipal organization as well as in an improvement district, such local board is not by reason only of *subsection 1* subject to *Part III* of *The Department of Municipal Affairs Act*. By this amendment only those local boards having jurisdiction solely within the limits of the improvement district will be automatically subject to supervision.

**19. Certain Sections Transferred to Municipal Act From Assessment Act.** A new *Part XXV* is added by the transfer to this Act from *The Assessment Act* of certain sections which deal with municipal taxes. There is no change in principle except:

- (1) *Section 548* where the maximum discount or interest on taxes paid in advance is increased from 6 per cent to 8 per cent; and
- (2) *Section 574* where the maximum interest that may be charged on tax arrears is increased from two-thirds of 1 per cent per month to 1 per cent per month.

**NOTE:** It should be noted that certain other sections of *The Municipal Act* have been either amended or repealed complementary to the enactment of the new *Assessment Act, 1968-69*. In this regard see *Sections 1, 3, 4, 5, 7, 9, 10, 12, 13, 14, 15, 16, 17, 18, and 20* of *Bill 222*.

right to operate works for the distribution of gas or to supply gas to municipal corporations or to the inhabitants of a municipality has expired or will expire within one year. Provisions are made for the powers of the Energy Board for hearings with notice to the public. *Subsection 6* provides that an application may not be made under this section in respect of a right that has expired before the coming into force of this section.

## THE ONTARIO MUNICIPAL BOARD AMENDMENT ACT, 1968-69

BILL No. 231

Ontario Statutes 1968-69, Chapter 86, effective December 2nd, 1969.

1. **Where More Than Two Members Attend Hearing.** A new *Section 12a* is added to provide that where the number of members of the Board attending at the hearing of an application is more than two, the number shall be uneven, and the decision of the majority of such members constitutes the decision of the Board.

2. **Definition of "Municipality" for Purposes of Section 64 and 65.** *Subsection 5 of Section 64* is re-enacted to make the definition of "municipality" for the purposes of *Sections 64 and 65* applicable to all public and high school boards and boards of education.

BILL No. 239

Ontario Statutes 1968-69, Chapter 102, effective December 17, 1969.

immediately required to any municipality by way of promissory note of the municipality.

2. **Joint Use of Facilities with County or Regional Municipality.** *Paragraph 39 of Section 35* is re-enacted to permit a board to enter into an agreement with the council of a county and a regional municipality in respect of the joint use of educational and municipal facilities.

3. **Elections.** *Subsection 1 of Section 54* is amended to make it clear that the provisions of *Section 54* respecting biennial and triennial elections do not apply to a divisional board that is not a divisional board of a defined city or to a county or district combined separate school board. *Subsection 4 of Section 54* is repealed.

4. **School Maps.** *Section 92* which refers to the preparation of school maps by the township clerk is repealed as the section of *The Public Schools Act* requiring the clerk to prepare and furnish a map of the school sections was repealed in 1966 and the comparable section of *The Secondary Schools and Boards of Education Act* is to be repealed.

## THE SECONDARY SCHOOLS AND BOARDS OF EDUCATION AMENDMENT ACT, 1968-69 (No. 2)

BILL No. 240

Ontario Statutes 1968-69, Chapter 115, effective December 17th, 1969, except for amendments to *Section 92* which shall be deemed to have come into force on the 23rd day of July, 1968, the addition of subsection 4a to *Section 81* the amendments to *Section 85* which shall be deemed to have come into force on January 1st, 1969, the repeal of *Sections 27, 28 and 29* and the amendment to *Sections 54, 86, 88 and 96*, which came into force on January 1st, 1970.

Complementary to the foregoing *subsections 1, 1a, 2, 3, and 6* are repealed. Also *Sections 13, 15, 16, 17, 18, 19, 20, 22, 23, 24* and *25* are repealed since with the establishment of school divisions and divisional boards of education these are no longer required.

Complementary to the foregoing *Section 36* is repealed.

4. **High School Boards.** *Sections 27, 28, 29* and *subsection 3* of *Section 30* dealing with high school boards are repealed as they are no longer necessary due to the establishment of divisional boards of education.

5. **Issuing of Debentures.** *Sections 31* and *32*, which provide for the issue of debentures for high school purposes by local municipalities or counties, are now unnecessary as boards of school divisions issue their own debentures and provision is made in *Section 26* for the issue of debentures by boards in the territorial districts that are not in a school division.

6. **Estimates of High School Boards.** *Subsection 1* of *Section 34* which deals with high school board estimates is amended by striking out the words "on or before such time as the council may prescribe".

7. **Rates for High School Purposes.** *Subsection 2* of *Section 34* is re-enacted to provide that sums raised by a municipality for high school purposes shall be paid to the board in instalments in the same manner as such sums are paid to divisional boards under *Section 88* of the Act. An amendment is made to *Subsection 3* to delete the requirement that "and the sum required by the board of the secondary school district for school purposes shall be paid over to the board not later than the 15th day of December".

8. **Debentures in Respect of High School District.** *Section 35* which deals with proportionate liability for debenture debt is repealed.

This section is no longer required as there will be no high school district other than in a school division which includes more than one municipality.

9. **Board of Education Defined.** *Section 49* is re-enacted to redefine “board of education” as meaning “a board of education other than a divisional board established under Part VI.

10. **Appointments by County Council.** *Subsection 5 of Section 50* is amended to remove reference to the county council as there will no longer be members appointed to a board of education by a county council.

11. **Provisions Re High School District Repealed.** *Subsections 1, 2, 3, 5 and 6 of Section 51* are repealed as due to the organization of school divisions there will no longer be high school districts except of the type under *subsections 4 and 4a of Section 51*.

12. **Levies for Board of Education.** *Subsection 2 of Section 52* is repealed as there are no longer any boards of education which have jurisdiction in more than one municipality other than the divisional boards of education which are provided for in Part VI of the Act.

13. **Representations of Separate School Supporters.** *Section 54* is re-enacted to provide that the representatives of separate school supporters on boards of education that are not in a school division are to be elected rather than appointed.

14. **Board of Education Members.** *Section 55, Section 55a, subsections 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13 and 14 of Section 56, and Section 57* are repealed as they are no longer required in view of the establishment of divisional boards of education.

15. **Dissolution of Board of Education.** *Section 61* which deals with dissolution of boards of education is repealed as it no longer is required.

16. **Additional County Levies.** *Subsections 1 and 2 of Section 74* which deals with boards of education are no longer required.

18. **County Municipality Redefined.** *Clause (c) of subsection 1 of Section 81* is re-enacted to define “county municipality” to mean “a municipality that forms part of a county for municipal purposes and includes a municipality, other than a city, that forms part of a regional municipality”.

19. **Expenditure for Permanent Improvements.** *Clause (d) of subsection 1 of Section 85* is re-enacted to make it clear that the assessment to be used to establish the expenditures for permanent improve-

ments that may be included in the estimates is that upon which taxes were levied in the year for which the estimates are adopted.

20. **Where Estimates Submitted After March 1st, 1969.** A new *subsection 1a* is added to *Section 85* to provide that where in the year 1969 a divisional board does not submit the statement and the requisition required under *subsection 1* to the Council of each municipality in the school division on or before the 1st day of March, the late submission thereof does not relieve the council of its duty under *subsection 1* of *Section 88* to levy and collect the amount required by the division board.

21. **Section 297(5) of The Municipal Act.** A new *subsection 3* is added to *Section 85* to make it clear that *Section 297(5) of The Municipal Act* with respect to the submission of estimates by local boards does not apply to divisional boards.

22. **Apportionment Where Unorganized Territory Becomes Part of School Division.** A new *subsection 1a* is added to *Section 86* which permits the assessment of property in territory without municipal organization that is made for the first time for school purposes to be used for the purposes of apportionment of costs in the year in which such territory first forms part of a school division.

23. **Apportionment of Sums Required by Divisional Board.** A new *Section 87a* is added to provide that the Lieutenant Governor in Council may make regulations for the apportionment of public and secondary school costs in 1970 and the following years in order to limit the effect of variations in equalization factors from year to year. *Subsection 6* provides for arbitration where the council of a municipality is of the opinion that the apportionment of the sum imposes undue burden on the ratepayers.

24. **Payment by Councils to Boards.** *Subsection 1* of *Section 88* is re-enacted and new *subsections 1c* and *1d* are added to provide for specific installments or installments on a quarterly basis with authority for the boards and municipalities to enter into agreements to provide for any number of installment payments. Formerly the amount required to be raised by a municipality for school purposes was to be paid by the school not later than December 15th.

25. **Number of Members to be Elected by Public School Electors.** *Subsection 2* and *clause (b)* of *Section 92* is amended to provide that a divisional board of education will always include at least one member elected by public school electors of the county or district municipalities in the school division. *Subsection 2* is made subject to *subsection 6* so that the number of members elected to the divisional board of education by the public school electors of the city or cities will not be reduced, but rather the number of members on the board will be increased by one where necessary to allow a member to be elected by the public school electors of the county or district municipalities.

26. **Qualifications and Disqualification of Members.** *Subclause (i) of clause (d) of subsection 1 of Section 93* is amended by striking out "ratepayer of a municipality within the school division" and inserting in lieu thereof "elector" so that the use of "public school elector" will clarify the meaning in view of its definition in *Section 81(1)(g)*. New *subsections 3 and 4* are added to *Section 93* to make the disqualification provisions applicable to members of a high school board apply also to members of a divisional board. A new *subsection 5* is added to provide that a person may not be a candidate for more than one seat on a divisional board.

1. **Collection Rates.** *Clause (f) of subsection 1 of Section 45* is amended to change the date by which a separate school board is to apply to the municipal council for the levying and collecting of the sums required for separate school purposes from the 1st day of February to the 1st day of March. This will make the date of application the same as for a board of education or a public school board.

2. **Composition of Board.** *Subsection 2 of Section 84* is amended making it subject to *subsection 4* so that where a trustee is elected by the separate school supporters in the county or district municipalities and such supporters would not be entitled to elect a trustee but for the amendment to *clause (b) of subsection 4*, the election of such trustee will increase the total number of trustees on the board rather than decrease the number elected by the separate school supporters of the city or cities. *Clause (b) of subsection 4 of Section 84* is amended to provide that every county or district combined separate school board shall include at least one trustee elected by the separate school supporters of the county or district municipalities in the combined separate school zone.
